Small Group Descriptions

Couples

Couples small group consists of couples, some newly married and some “seasoned” with children. We seek to “do life” together. We study the Bible, share prayer and praise, and fellowship together at this time. We also get together for a social time monthly that varies-all of our families may go to the park, play in the gym at the church, have a game night, etc. We also seek to serve together once quarterly to meet a need of the church or community. We seek to support and encourage one another and develop relationships and disciples. We currently meet weekly at 9:15 on Sunday mornings in Room 127 in the gym.

We study and discuss the Bible with a real and meaningful application to everyday life, as well as, support each other and the church in prayer and actions. We seek to serve others with love and servant hearts following the example of our Lord Jesus Christ. We meet weekly at 9:15am on Sunday mornings in Room R112 in the gym.

Learning to apply God’s Word to our lives is our ultimate goal. Building unity within the church by supporting each other during difficult times and celebrating joyful times is also very important to these people. Additionally, we are a mission minded group who seeks to share the love of Christ by meeting the needs of others. You are invited to join us and discover for yourself the joys of Faith! We meet on Sunday mornings at 9:15 for a time of study, sharing and snacking in room R121 in the gym.
